

The Polish Language Experts  
**Marketing Translation**

## Introduction

Wratislavia Translation House is a professional translation agency, seated in Wrocław, Poland, specializing in business, economic and IT texts, in particular in the field of SAP solutions and software.

## Mission

Providing professional translation services within time and budget and supporting our clients in making the right decisions during the whole translation project.

## Marketing translation

Marketing translations are one of the specialties of our agency. Our translators have a long experience in working with various types of marketing and public relations texts – starting from brochures and leaflets through mailing campaign texts and press releases up to customer success stories and company profiles. We always do our best to learn about clients' preferences and tailor the style and language of the translation to their needs.

## For our clients, we provide:

### Translation of various types of marketing materials

- brochures
- company profiles
- information leaflets
- texts for websites
- scripts and forms for marketing campaigns
- texts used in mailing campaigns
- customer success stories
- press releases

At the request of our clients, we also prepare DTP services for the translated materials.

## Specific features of marketing translation

Translators of marketing texts should have not only a knowledge of a given industry but also creativity and feeling for language. In addition to being correctly translated, marketing texts must be easy to read, attractive and unique. We are proud to have translators with such language skills in our team. Therefore, we've already been trusted by so many clients.

## Translation languages

Most often, we translate marketing materials prepared in English and German into Polish. We can also offer you marketing translations from other European languages.

## Cooperate with us

Our agency has been actively operating in the European market since 2005. Our team consists of professionals with over ten years experience, which ensures the high quality and timeliness of translation services provided by us.
