

The Polish Language Experts
Translation Services for Business

Introduction

Wratislavia Translation House is a professional translation agency, seated in Wrocław, Poland, specializing in business, economic and IT texts, in particular in the field of SAP solutions and software.

We specialize in translations from major European languages into Polish. We also prepare translation from Polish.

Services

Translation + Reviewing + Proofreading

Our standard translation process involves 3 different linguistic specialists ready to provide top quality services. We offer translation (and certified translation) of:

- documents related to business activities
- agreements
- procedures
- instructions
- training materials
- marketing materials
- business correspondence
- tender documents
- websites

Graphic services & DTP

DTP services supplement our translation portfolio. Therefore, we are able to provide you with a final document ready for printing or publishing.

Industries

We have a broad experience in carrying out translation projects for various industries, including:

- Architecture and Construction
- Automotive
- Banking
- Building Materials
- Consumer Products
- Education
- Engineering
- Finance
- Food
- Healthcare
- High Technology
- Human Capital
- Industrial Machinery
- IT
- Legal
- Logistics
- Mill Products
- Oil and Gas
- Public Sector
- Retail
- Telecommunication
- Utilities

Translation quality policy

The superior goal of our translation quality policy is to ensure the highest quality of the final translation. We have implemented the Quality Assurance System based on requirements of the translation industry standards.

Know-how

Building on our experience, we have created and implemented in our agency the project management process supported by translation tools and a document workflow procedure.

Confidentiality

We ensure the full security of the documents that you provide us. The trust you have placed in us is of our paramount importance.
